They say the bachelor party with whacky consequences is a surefire way to a bachelor party you'll never forget. Best man Phil (Bradley Cooper) takes on the challenge of planning one that does – without a plan. He's supposed to take care of his friends Stu (Ed Helms) and Alan (Zach Galifianakis), whose wives have done their best to rid them of their bachelor party obligations. But Alan and Stu are kind of big deal golfers with a problem: They've been driving Phil into the ground with their efforts to keep Phil out of the tournament, and if he quits, Stu and Alan have to do their own bachelor party. So Phil and the boys head out to Las Vegas to throw the ultimate bachelor party. The only problem is the last time Alan and Stu did this they were so hammered they ended up in a Mexican jail. Even if they don't end up there again, they'll have to stay sober, cause a little Vegas partying could get a little too wild.
